

*Dear crafters,*

Dots or circles in bright colors, we see them often, on clothing, pillows, crockery and of course not to forget the many Hobbydots on cards.

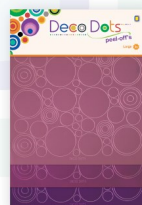

Now there are the larger sticker dots, where you can create beautiful patterns of, stick them on any smooth surface; wood, porcelain, glass, cardboard or stone.

Each of the 5 packages contain 3 sheets with Deco Dots in matching colors and an example of a pattern.

Deco Dots are infinitely fun to stick and in color to combine; not difficult or hard to do, just stick it. Of course the Deco Dots can also be used on larger cards.

**WIN!**
